

Mollie Davis GOLF TOURNAMENT

The Mollie Davis Golf Tournament is held in honor of Mollie Davis' generosity and is the only fund raising event held for YOUR Yakima Rotary Trust. The event is made even more meaningful as the Mollie Davis Trust matches dollars we raise!

The monies raised from this event add to the unrestricted assets of the Yakima Rotary Trust, which in turn, are invested back into our community. It is the objective of the Yakima Rotary Trust, either alone or in collaboration with others, to develop capital projects under the Rotary name for the betterment of the greater Yakima Community.

You can see your dollars put to good use around our community. For example: the YAKIMA GATEWAY SPORTS COMPLEX/ ballfields/ playgrounds / concession stand / basketball courts, FRANKLIN PARK PAVILLION / playground / picnic shelters, YAKIMA ROTARY FOOD BANK, the RANDALL PARK viewing platform / playground / picnic shelters, and the SOZO SPORTS COMPLEX. These projects are a point of pride in our community and fulfill the Trust goal of "making Yakima a better place to live."

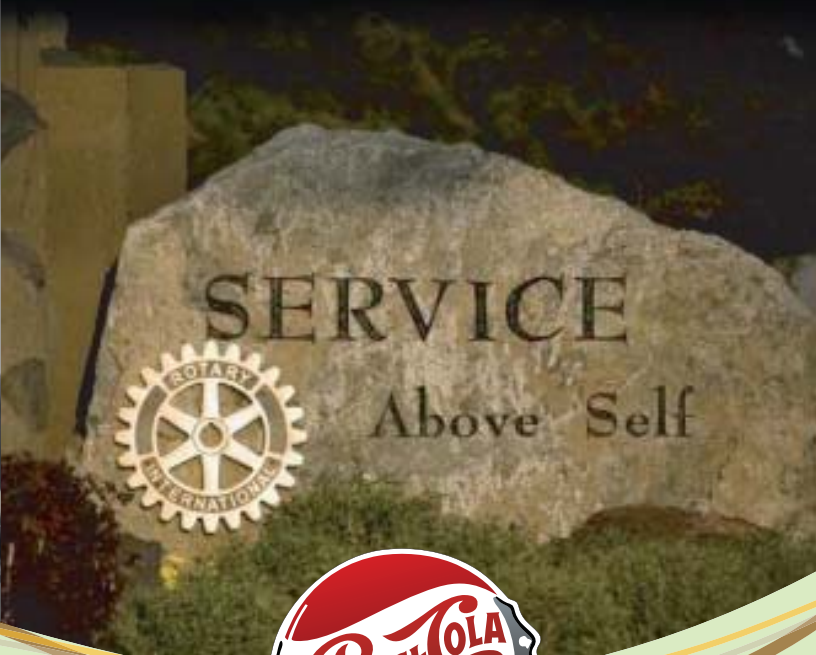

We hold the annual Mollie Davis Golf Tournament to honor the memory of Mollie Davis who left an unprecedented educational legacy to Yakima County. Upon her death in 2008, over \$18 million was left in the care of the Yakima Valley Community Foundation. It, in turn, provides an annual distribution to fund the scholarship program which the Yakima Rotary Trust administers on behalf of Mollie Davis. As of June 2017 over 301 students have been awarded renewable scholarships with a total value, over the life of the scholarships of 5.4 million.
