

# Mollie Davis GOLF TOURNAMENT

The annual MOLLIE DAVIS GOLF TOURNAMENT is held in honor of Mollie Davis' generosity and is a fundraising event for YOUR Yakima Rotary Trust.

The monies raised for the Rotary Trust through this event add to the unrestricted assets of the Trust, which are available to be invested back into our community. It is the objective of the Yakima Rotary Trust, either alone or in collaboration with others, to develop capital projects under the Rotary name for the betterment of the greater Yakima Community.

You can see your dollars put to good use all around you.

The MOLLIE DAVIS GOLF TOURNAMENT honors the memory of Mollie Davis who left an unprecedented educational legacy to Yakima County. Upon her death in 2008, over \$18 million was left in care of the Yakima Valley Community Foundation, which in turn makes an annual distribution to fund the scholarship program administered by the Yakima Rotary Trust, in her name. Since 2010, the Trust has awarded 490 scholarships valued at over \$9 million. Mollie's gift is truly making a difference.
